

S+UDIO

STUDIO

BE YOUR OWN BARISTA Studio, Dalla Corte's professional one-group home espresso machine, features an elegant design and highly technological parts.

A SMALL MACHINE, BIG FEATURES The simple display makes sure that all the machine's parameters are constantly under control: set up the desired temperature and extraction time, with an intuitive and minimalistic design.

SMALL AND ELEGANT Designed to fit even the smallest of places, Studio is the ideal choice for houses, offices, restaurants and bakeries. She can be used via water supply or tank.

SHOW YOUR TRUE COLOURS Choose the colour that matches your style, Studio's shell is entirely customisable in all RAL colours, the perfect match for your space or personality.
