

## XT BARISTA - 2 GROUPS

**CREATIVITY XT**, a name that recalls precision, consistency and creativity. Customize extraction recipes and create a unique vision of coffee, maintaining full control over the extraction.

**DROP BY DROP CONTROL** With the manual flow regulator you can create your own extraction profiles. Freedom from external instruments and better workflow, thanks to the Real Time Weight control.

**UNIQUE, ALWAYS** Create your flow, choose your portafilter, with the option of integrating a 58mm portafilter as well as a 54mm one. All the flexibility you need and your personal touch in every cup you make.
