Schuilenburg
A TASTE FOR TECHNOLOGY

Dalla Corte XT Barista

XT introduces **manual flow profiling** for each group, allowing baristas to adjust the flow rate in real-time. This feature helps to enhance the unique flavors of different coffee beans, reduce acidity in freshly roasted coffee, and mute bitterness in dark roasts.

The **weight system** ensures perfect dosing by recording the quantity of water and the gram dosage of the espresso, making programming the dosing buttons straightforward.

Technical specs

Dimensions (w x h x d) : 730 x 525 x 510 mm
Weight : 74 kg
Maximum power : 4,5 kW
Connected load : 400V + 3 N
Boiler capacity : 7,5 l

Price specs

Price = ~~€14.050~~ **€9.200**
Excl. VAT, delivery and installation costs.

Option to take out a maintenance contract.
One-year warranty from the date of purchase.
Cleaned and maintained by Schuilenburg.
