A TASTE FOR TECHNOLOGY

Dalla Corte Zero Plus Barista

A powerhouse of design and technology, with a zero limits dimension.

With the **Digital Flow Regulation** technology, you can craft unique profiles that express your personal vision of coffee.

Alternate flow rates of 3, 5, 7, and 9 grams of water per second, combining up to 5 steps for each extraction. You can **store up to 50 profiles** in the library and recall them whenever needed.
